Falling (remix)

Reed Deming

Falling for you
And I just can't help myself
Baby I'm falling
Falling for you
And I just can't help myself
Baby I'm fallingThirty days since our first kiss
Sit alone reminisce
What you said last night
Just took me by surpriseHow you said you're not gonna cry no more
You're waiting to exhale
Having feelings that you're falling
Woman I've already fellFalling for you
And I just can't help myself
Baby I'm falling
(Oh I)
Falling for you
(Oh, I'm falling)
And I just can't help myself
Baby I'm fallingContemplating what to do
Falling faster over you
But my heart and pride
Are out there on the lineI dial your number on the phone
A steady ringing your not home
If you're listening to this message
Girl I'm calling 'cos I'm falling for youFalling for you
And I just can't help myself
Baby I'm falling
(Can't believe I'm falling)
Falling for you
(Do you feel the same way too)
And I just can't help myself
Baby I'm fallingFalling for you
And I just can't help myself
Baby I'm falling for you
Falling for you
And I just can't help myself
Baby I'm falling for youFalling for you
(Yes I am, yes I am)
And I just can't help myself

(Can't help myself)
Baby I'm fallingFalling for you
And I just can't help myself
(Falling baby)
Baby I'm falling
(Falling baby)I can't help myself
Seems I keep on falling
(And I just can't help myself)
No, no I just can't help myself
Seems I keep on fallingNo just can't help myself
Seems like I keep on falling
Yeah, help me
(And I just can't help myself)
(Baby I'm falling)
Won't you help me sugarFalling for you
(So [Incomprehensible])
And I just can't help myself
Baby I'm falling
Falling for you
And I just can't help myself
Baby I'm falling
I'm falling
