Iou

Duff McKagan's Loaded

It's getting late I missed your call
I haven't heard from you at all
For all that shit I put you through
Here's my heartfelt thanks to youThrough all that's good and bad
You're the best thing I ever had
I owe youSweetheart, mother of my girls
Your softest touch cures all my ills
When I got down, you came through
Here's my life-long gratitude
Through all that's good and bad
You're the best thing I ever had
In those times when I might dwell
You're there to catch me when I failIn the end of days, when the lights will fade,
I will hold you
I am here to lift away your fear,
I will owe you.
Through all that's good and bad
You're the best thing I ever had
In those times when I might dwell
You're there to catch me when I fail
I owe You.
