

The Mighty Death Pop

Insane Clown Posse

Party

It's what you choose.

Wild and wicked, you abuse

We'll fuck it

No need to heed

The hell with caution increase the speed

Push it

Impress the rest

Run up and tell you ain't bought the dress

You crazy

Don't care about nuttin

We'll see when that coffee's shuttin

Chorus:

When the mighty death pop.

Everything stop

You either rise or drop

(Livin on the wild side,
just hope it's a long ride)

When the mighty death pop.

Everything stop

You either rise or drop

(You keep playin he will come
when it all shuts off, you done)

Rock on

Drop that confetti

The death pop's when you ain't ready

Hey, big shot hope you don't get shot

He comes when provoked (the death pop)

Let your balls hang out if you wanna

But don't cry when they get kicked (get kicked)

The black out's sudden end to your party

The mighty death pop happens quick

Every day throw it up, celebrate life

Cuz that shit could pop tonight

Make noise

If he hears about you

Suddenly we're without you When it goes pop

And then it goes pop

And then it goes...

You crazy ass fool
You need to stop
So what, you on top
(THE MIGHTY DEATH POP)
Yeah, and he comes by request
Live life a train wreck, and your next
If you want the trouble
He'll pop your bubble
And then drop you
On the double
He'll Eject your ass if the beat is skippin, cus you stuck in the fast lane trippin
Your a balloon, living in a picker bush
Believe it your buzzer
It's gettin pushed
He loves the risky rock n roll
Who gives a fuck
Its out of controlWhen it goes pop
And then it goes pop
When it goes pop
And then it goes
