

# Tear Down the Walls

**KIX**

Yeah  
Standing in the dark  
Closin' in, I think I'm going under  
Fell down so fast  
From the words I heard a crash like thunderNever thought I'd feel the final blow  
Like a shot it turned my heart to stone, we were  
Livin' in a dream, now it seems so far awayWhy'd you tear down the walls  
Tear down the walls  
All the pieces were all in place  
Why was it love you had to breakSo restless I can't sleep  
Where's the flame, the flame that burns forever, oh  
Tore it all apart  
I hope someday we can put it back togetherI know ya' feel the tears inside  
I don't wanna have to say goodbye - oo  
Why'd you tear down the walls  
Watch 'em crumble and fall  
All of the pieces were all in place  
Why was it love you had to breakWe were livin' in a dream  
Now it seems so far away  
Oo whoa whoa why'd you tear down the walls  
Watch 'em crumble and fall  
All of the pieces were all in place  
Why was it love you had to break, ohWhy'd ya tear down the walls  
Tear down the walls  
Tear down the walls  
Tear down the walls  
Why'd ya tear down the walls  
Yeah
