

# Hummingbird Heartbeat

Katy Perry

You make me feel like I'm losing my virginity  
The first time, every time when you touchin' me,  
I make you bloom like the flower that you never seen  
Under the sun we are one buzzin' energy Let's pollinate, let's create a family tree  
This evolution with you comes naturally  
Some call it science,  
We call it chemistry  
This is the story of the birds and the bees Even the seasons change  
Our love still stays the same You give me that  
Hummingbird heartbeat  
Spread my wings and make me fly  
The taste of your honey is so sweet  
When you give me the hummingbird heartbeat  
Hummingbird heartbeat Hummingbird heartbeat  
Hummingbird heartbeat Flown a million miles just to find the magic seed  
Oh I would flower with the power that bring light to me  
Your so exotic, my whole body fluttering  
Constantly craving for a taste of your sticky sweet Always on the brink of a heart attack  
You keep me alive and keep me coming back  
I see the sun rise in your eyes  
Your eyes  
You gotta future full of blue skies  
Blue skies Even when seasons change  
I'm still stay the same You give me that  
Hummingbird heartbeat  
Spread my wings and make me fly  
The taste of your honey is so sweet  
When you give me the Hummingbird heartbeat  
Hummingbird heartbeat Hummingbird heartbeat  
Hummingbird heartbeat You love me, you love me never love me not  
Not  
Oh no  
When we're in perfect harmony  
You make me sound like, like a symphony Oh your wings could make me fly  
The taste of your honey is so sweet  
When you give me the hummingbird heartbeat  
Hummingbird heartbeat Hummingbird heartbeat  
Spread my wings and make me fly  
The taste of your honey is so sweet

When you give me the hummingbird heartbeat  
Hummingbird heartbeatHummingbird heartbeat

Hey yeah

Hummingbird heartbeat
