

The Wheel of the Quivering Meat Conception

Mott the Hoople

(ian hunter/guy stevens) This isn't a song in the true sense of the word - it is an end-of-session jam (sounds a bit like 'the journey'); but I have included it anyway. This has been

The mott the hoople
Light orchestra, [who've] been
Playing some goodies
And some newies
And some oldies
And some filthies
And some weirdies
And some queries
Just for you
