

Hand In Hand

Elvis Costello & The Attractions

No, don't ask me to apologize
I won't ask you to forgive me
If I'm gonna go down, you're gonna come with me

You say, "Why don't you be a man about it
Like they do in the grown-up movies?"
But when it comes to the other way around, you say
You just want to use me

Oh, you sit and you wonder whether
It's gonna be syndicated
You sit with your knees together
All the time your breath is bated

Hand in hand

No, don't ask me to apologize
I won't ask you to forgive me
If I'm gonna go down, you're gonna come with me

Don't you know I got the bully boys out
Changing someone's facial design
Sitting with my toy room lout
Polishing my precious china

Don't you know I'm an animal?
But don't you know I can't stand up steady?
But you can't show me any kind of hell that I don't know already

Hand in hand

No, don't ask me to apologize
I won't ask you to forgive me
If I'm gonna go down, you're gonna come with me

Hand in hand, hand in hand, hand in hand

Hand in hand, hand in hand, hand in hand
Hand in hand, hand in hand, hand in hand
Hand in hand, hand in hand, hand in hand

Hand in hand, hand in hand, hand in hand
