

# Yeti (VA 80's Disco Legend - 8, 2008)

## Radiatorama

I love your world  
Where the winners might be sweet all around  
Tell me your life.  
Tell me what you'll be afraid of this night If you wanna take a look around  
Please don't hit a man who understands  
As the story goes you are the one  
Run away in other place  
In the night you're looking for to meet  
And checking the man to get in fit  
Just the story goes you are the one  
Run away in other place Yeti, yeti, yeti, yeti  
Yeti, looking a horrid man.  
Yeti, living in other land I want your soul and I really like to seem to your heart  
I feel with you and I know that you are living apart  
If you wanna take a look around...
