Dear John

Ryan Adams

I got a house full of walls
And utility bills, every Monday the company calls
I got a nice bed to sleep on
And a chest of drawers, where I keep those jewels of yours'Cause you're always mine to keep when you're gone
Two silvers rings, one's on my finger and the other one's gone
It went underground with you, oh JohnTen years passed
And I ended up with a house full of cats
But most of them went missing
Through that window you never fixed, the door you never latchedWhen you were on your way out like the last time...'Cause you are always mine to keep when you're gone
Two silvers rings, one's on my finger and the other one's gone
It went underground with you, oh JohnI knew what you were doing
That summer when Candy came around
But I had too much hurt to bother you
When we lost our first child I thought a little payment was overdue
And I want you so bad...'Cause you are always mine to keep when you're gone
Two silvers rings, one's on my finger and the other one's gone
It went underground with you, oh JohnI miss you
I miss you
I miss you
I miss you...Oh John...
