

Hopelessly Yours

George Jones

I love you, I hate you
Forget you but I'm afraid to
You loved me or did you?
I'll never be sure But one thing's for certain
In spite of this hurtin'
Forever I'm hopelessly yours From laughin' to cryin'
From livin' to dyin'
From heaven to a heartaches
I know I can cure But one thing's for certain
In spite of this hurtin'
Forever I'm hopelessly yours I cry on the slightest of notions
'Cause I'm just going
Through these emotions I love you, I hate you
Forget you [Incomprehensible] but I'm afraid to
You loved me or did you?
I'll never be sure But one thing's for certain
In spite of this hurtin'
Forever I'm hopelessly yours I'll always be hopelessly yours
Hopelessly yours
