

The Wreckoning

Boomkat

I came, I saw, I kicked some ass
The pain I cause it makes me laugh
'Cause the way I do my thing is strange
I just inject myself into your veins, yeah Can't run, can't hide
There's no way out
The sun will rise and it's about
Time for the wreckoning
Time, time for this girl to sing Damn, if I thought that you would change
And my life would stay the same
When you don't even care about me
You know, you don't give a damn Well things will come and things will go
And one thing I know for sure is that
You don't give a shit about me
And so I'm walking out the door, oh yeah Can't move can't breathe it's getting dark
The beast has come to steal your heart
So you better practice your scream
Well, you may not live your dreams Things will come and things will go
And one thing I know for sure is that
You don't give a shit about me
And so I'm walking out the door The wreckoning, the wreckoning
The wreckoning, oh, it's time
The wreckoning, the wreckoning
The wreckoning, oh, it's time Damn, if I thought that you would change
And my life would stay the same
When you don't even care about me
You know, you don't give a damn Things will come and things will go
And one thing I know for sure is that
You don't give a shit about me
And so I'm walking out the door The wreckoning, the wreckoning
The wreckoning, oh, it's time
The wreckoning, the wreckoning
The wreckoning, ya don't give a damn And I'm running from my problems
I got my funny face painted on
And then I'll think of what you said to me
And then I'll think of what you did to me I'll think of you and probably laugh
And then I'll think of you and probably laugh
And then I'll think of you and probably laugh
You're the one I'm running from Damn, if I thought that you would change
And my life would stay the same

When you don't even care about me
And now you don't give a damn Well, things will come and things will go
And one thing I know for sure is that
You don't give a shit about me
And so I'm walking out the door The wreckoning, the wreckoning
The wreckoning, oh, it's time
The wreckoning, the wreckoning
The wreckoning, oh, it's time The wreckoning, the wreckoning
The wreckoning, ya don't give a damn
The wreckoning, the wreckoning
The wreckoning, I'm walking out the door
