

# I Still Believe In You (Feat. Ryan Jarman)

Edwyn Collins

I'm running through the backwoods  
I'm running through the field  
When I'm alone I miss you  
Back at my house, I don't, yet I still believe in you  
Maybe you want me to  
My love I'm running out of answers  
I'm running myself on red  
But it's alright, it's alright  
The best of us do from time to time  
Another night, another night  
Not knowing what to do  
I still believe in you  
Maybe you want me to  
But it's ok to still hear the voices  
Running round your brain  
Cause they still sound the same I still believe in you  
Maybe you want me to
