Gorefest

Like a flower in wintertime
Like the autumn of your life
Freezing deep inside
Misery, every [Incomprehensible]Like a flower in wintertime
Like the tears [Incomprehensible]
Freezing deep inside
Misery, misery embracedNot a victim, no martyr here
Not a victim, only a volunteer
Not a victim, no martyr here
Not a victim, only a volunteerYou're like a goddess
A goddess in black
My goddess, a goddess in blackNot a victim, no martyr here
Not a victim, only a volunteerYou're like a goddess
A goddess in black
My goddess, a goddess in black
You're my goddess in black
