Hello After Goodbye

Legacy Five

We dress in black.
We say, ?Goodbye.?
How our hearts break, and oh how we cry.
Yet though we grieve, we still have hope
Cause for all hearts of faith we trust and know:

There is a ?Hello? after ?Goodbye.?
A blessed reunion promised in time:
We will be with them for longer than we were without, no doubt.
No more tears in our eyes in that beautiful wonderful ?Hello? after ?Goodbye.?

Next time we see them we?ll never more know the sorrow and pain of letting go.
We?re with them forever, life without end, in that most blessed sweet moment when:

There is a ?Hello? after ?Goodbye.?
A blessed reunion promised in time:
We will be with them for longer than we were without, no doubt.
No more tears in our eyes in that beautiful wonderful ?Hello? after ?Goodbye.?

We will see them again, be with them again,
laugh and talk like before, sing and worship forevermore.

There is a ?Hello? after ?Goodbye.?
A blessed reunion promised in time:
We will be with them for longer than we were without, no doubt.
No more tears in our eyes in that beautiful wonderful ?Hello? after ?Goodbye.?
