

Not Looking

Cheap Fakes

Sometimes when Iâ€™m not looking
Some things are so hard to find
I can just dial your number
Like ive done so many times

You really know how to move me
If only I could do the same

Time it just keeps ticking on still
Im more older not wiser now
Respect for my elders
No chip on my shoulders

You really know how to move me
If only I could do the same

Sometimes when Iâ€™m not looking
Some things are so hard to find
I can just dial your number
Like ive done so many times

You really know how to move me
If only I could do the same
