

Rethink the Guidelines

Kaospilot

I do not feel very comfortable here. What made me is unclear, but I still feel kind of trapped. Love or hate. I did my best to run away from my passions. I was close but my circumstances did not allow me. After an aeon I read the sign written in blue on white. The sign read "failure is a common result of escapism "The sound of echoes are surrounding me. Please, please stop. I wish I could smash the mirrors and start living again. Rethink the guidelines. The next moment we watched the fire cracking stars and our odyssey starts.
