Psycho

Caroline's Spine

Busy, busy, I'm so busy, I've got no time for you.
Sleazy, sleazy, you say I'm sleazy
for all the things I put you through.
Angry, angry, now you're angry
sick of all t games were playin'.
Sleepy, sleepy, I'm so sleepy
tired of all the things you're sayin'.
I'm so sorry, excuse me for living
I didn't know you were a psycho...
Wasted, wasted, I get so wasted
sometimes I can't get up the stairs.
Stupid, stupid, you say I'm stupid
for telling you to not be scared.
Frightened, frightened, now your frightened
you thought we were 'oh so close'.
While I'm dying, dying, slowly dying
Cause you won't leave me alone.
I'm so sorry, excuse me for living
I didn't know you were a psycho
Salute me, greet me, so glad to meet me
then you say I'm such a mess.
Well, sue me, chew me, beebopbaloo me
thanks so much... now go get dressed.
Preach me, teach me, so glad you reached me
before you found me I was wasted
you found me, bound me rolled all around me
now you're gone and I got FACED!
