

Hang Up (Youth Remix)

Peter Murphy

They come on over, said the tripper to the was the ghost
Caught you real dead in, master of masters
I tell you daddy,
Don't, to a place all full when the angels are alive
They believe in nature,
I get so fear, I get so fear,
I get so fear, I get so fear,
And you was the and you are the Jesus the Moise the
Yes there's a god higher
Hang up the phone and come on over
Don't act like that to a place when all the angels are alive,
There been angels aliveHigher so be there,
Higher so be there,
Higher so be there,
Higher so be there,
Higher so be thereIf the truth be told, does teh tripper show
Is messing with the, to that drive that devil got now
You can drag me and sometime with no clothes on
With a problem and no poasingHanging up the phone
