World So Cold

Three Days Grace

I never thought I'd feel this
Guilty and I'm broken down inside
Livin' with myself nothing but lies
I always thought I'd make it
But never knew I'd let it get so bad
Livin' with myself is all I have
I feel numb
I can't come to life
I feel like I'm frozen in time
Livin' in a world so cold, wasting away
Livin' in a shell with no soul since you've gone away
Livin' in a world so cold, counting the days
Since you've gone away, you've gone away
Do you ever feel me?
Do you ever look deep down inside
Starin' at yourself, paralyzed?
I feel numb
I can't come to life
I feel like I'm frozen in time
Livin' in a world so cold, wasting away
Livin' in a shell with no soul since you've gone away
Livin' in a world so cold, counting the days
Since you've gone away, you've gone away from me
I'm too young to lose my soul
I'm too young to feel this old
So long, I'm left behind
I feel like I'm losing my mind
Do you ever feel me?
Do you ever look deep down inside
Starin' at your life, paralyzed?
Livin' in a world so cold, wasting away
Livin' in a shell with no soul since you've gone away
Livin' in a world so cold, counting the days
Since you've gone away, you've gone away from me
I'm too young
I'm too young
