

I Love You

A Taste of Honey

Relax and stay awhile
Oo-oo-oo
With me I really love your style
Oo-oo-oo
Can't you see? Dreams really do come true
If you believe
They do And I believe in you
Oo-oo-oo
Can't you see?
I love you
I love you-ou-ou I love you
I love you-ou-ou Dreams really do come true
If you believe
They do And I believe in you
Oo-oo-oo
Can't you see? I love you
I love you-ou-ou I love you
I love you-ou-ou I love you
I love you-ou-ou (Love you, love you)
I love you
I love you-ou-ou (Love you, love you) I love you
I love you-ou-ou
