

# Death (Mistabishi Remix)

## White Lies

I love the feeling when we lift off  
Watching the world so small below  
I love the dreaming when I think of  
The safety in the clouds out my window I wonder what keeps us so high up  
Could there be a love beneath these wings?  
If we suddenly fall should I scream out  
Or keep very quite and cling to my mouth? As I'm crying, so frightened of dying  
Relax, yes, I'm trying  
This fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me I love the quite of the night time  
When the sun is drowning in the deathly sea  
I can feel my heart beating as I speed from  
The sense of time catching up with me The sky set out like a pathway  
But who decides which route we take  
As people drift into a dream world  
I close my eyes as my hands shake And when I see a new day  
Who's driving this anyway  
I picture my own grave 'cause fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me Floating neither up or down  
I wonder when I'll hit the ground  
Well, the earth beneath my body shake  
And cast your sleeping hearts awake Could it tremble stars from moon light skies?  
Could it drag a tear from your cold eyes?  
I live on the right side, I sleep in the left  
That's why everything's gotta be love or death Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me  
Yes, this fear's got a hold on me
