Hawaiian Dreams

The Flys

Got your face in my mind
No one can take that away
The white sand on your feet
I'll take you down to the seaThough I live in a strange world
A strange world
Hawaii heart
Dreamin' of something
Dreamin' of something
Dreamin' of youDreamin' of something
Dreamin' of something
Dreamin' of you(Shhhh)I hear the sound of your voice
Although you're so far away
I hope to be there real soon
'Till then I'll dream by the wayThough I live in a strange world
A strange world
Hawaiian dreams, whooa
Dreamin' of something
Dreamin' of something
Dreamin' of youDreamin' of something
Dreamin' of something
Dreamin' of youFollow you
I will follow you anywhere(Shhhh)(Dreamin' bout something, dreamin' bout youuu)
(Dreamin' bout something, dreamin' bout youuu)
(Dreamin' bout something, dreamin' bout youuu)
(Dreamin' bout something...)
