

# Zero Tolerance

## Kottonmouth Kings

The war on drugs is a war on me and if its not then let me be home of the brave  
Land of the free Its just a plant so let freedom ring I'm sick of these snitches droppin dimes on my block to my  
small sack slangers  
To my indoor crops or our cash money business or my late night stops or  
Anything about this old school pimp called pops Yeah! Shit fuck Piss  
I can't stand the cops they're always on my dick trying to snatch my crops but  
They'll never gonna get 'em cause givem to my pops then I fail out of town in  
My matha fucking dodge You can't catch me so please stop trying there's no deny in that the cops are  
Lie'en  
Not me because I not you can't relate when I look you in the face I can tell  
That you're a fake. Ha! Ha! Ha Zero Tolerance I got zero tolerance Just because you're a you fat wanna be stinky  
ass matha fucka  
Tryin to get my shit but you can't you suck get the hell out my face?  
Cause your breath stinks bad your badge is dirty you cricked as fag I'm here to free all the people that are livin  
in fear  
The modern day Paul Revere, Just lend me your ear  
Cause they're comin, in fact they're already right here  
You know how much they spent in the war on drugs simply last year?  
Eleven-Billion Dollars straight down the drain  
The war on drugs has cost a lot, you shouldn't worry about me, or my bag of pot  
Not hurtin' nobody, not polluting the youth  
Not sellin no lies, I'm only giving out truth  
Try to tell me what to do, I won't listen to you  
I'll smoke weed till I die, out of joints, pipes, tubes Well I'm rymin and I'm stealin - dealin time after time -  
rhyme patterns  
Designed to enlighten your mind - legalize the word freedom till the plants not  
A crime and when the plants not a crime we'll all be livin divine zero tolerance  
Is ignorance we're drawin the line Zero Tolerance the war on drugs is a waste of time how could a plant be a  
Crime- you got the bombs to kill off our kind- Arrest and seize we get jailed  
Fucked-w/-Find - free the plant Zero Tolerance I got zero tolerance
