

Fresh Anointing (feat. Eric Bishop Taylor)

Carl B. Phillips

FRESH ANOINTING

Spoken

Sometimes in our walk with God
We just need to say God I need a fresh anointing
Anybody ever been there?
Anybody need a fresh anointing in here tonight?
Lord we need your fresh anointing we need your fragrance to fill the sanctuary

Soloist

Fresh anointing fall
Fresh anointing fall
Let the fragrance of the oil
Fill the sanctuary
Fresh anointing fall in this place

Fresh anointing fall
Fresh anointing fall
Let the fragrance of the oil
Fill the sanctuary
Fresh anointing fall in this place

(Fresh anointing fall
Fresh anointing fall)
(Ooh, ooh, ooh, ooh)
Let the fragrance of your oil
Fill the sanctuary
(Fresh anointing fall in this place)

The anointing destroys the yoke
The anointing destroys the yoke
Help me say

(The anointing destroys the yoke)
(The anointing destroys the yoke)

We need power (power)
Power lord (power)

We need your power (power)
Oh oh oh power (power)

We need joy (joy)
Joy like a river (joy)
Unspeakable joy (joy)
And full of glory (joy)

Fresh anointing (fresh anointing)
I need it today (fresh anointing)
When I sing my song (fresh anointing)
Whenever I preach a sermon (fresh anointing)

I need it to fall (fall)
Fall on our homes (fall)
Fall in our churches (fall)
Fall everywhere (fall â€“ all)

Fall in the school (fall)
Fall in our bodies (fall)
I donâ€™t know, I donâ€™t know, I donâ€™t know,
I donâ€™t know, I donâ€™t know (fall)
I donâ€™t know about you but I need it (fall â€“ all)

We need the power of God (fall)
We need a touch from the Lord (fall)
Fall on your people (fall)
Weâ€™re ready to feel your spirit (fall â€“ all)
