

# i don't care as long as you sing (boundzound mix)

## Beatsteaks

And I don't care as long as you sing  
And I don't care as long as we swing  
And I don't care as long as you singI get everything right  
    And I want you to  
    Get everything right  
    I'm not playing rude  
    I get everything right  
    Get up and swing  
You make me singSo here we go it doesn't pay  
    It won't protect me no more  
    When I get up I break it down  
    I'll double back and for sure  
I go back to zeroGet upI swallow a lot  
    If the pressure is up  
    And the feeling I've got  
    Is I'm not gonna stop  
    We are back in the early morning  
Back in the early morningSo here we go it doesn't pay  
    It won't protect me no more  
    When I get up I break it down  
    I'll double back and for sure  
I go back to zeroSo here we go it doesn't pay  
    It won't protect me no more  
    When I get up I break it down  
    I'll double back and for sure  
I go back to zeroAnd I don't care as long as you sing  
    And I don't care as long as we swing  
And I don't care as long as you singGet upSo here we go it doesn't pay  
    It won't protect me no more  
    When I get up I break it down  
    I'll double back and for sure  
I go back to zeroSo here we go it doesn't pay  
    It won't protect me no more  
    When I get up I break it down  
    I'll double back and for sure  
I go back to zeroSo here we go come onI get everything right  
    And I want you to  
    Get everything right  
    I'm not playing rude

I get everything right  
Get up and swing
