

Husk

Kristin Hersh

Terrible wine
Set you free
Damn slap-happy sleep
c'mon out, c'mon out
Oh mercy, mercy me
Terrible wine
Draws ou out
Damn slap-happy in the dugout
c'mon down, c'mon down
Oh mercy, mercy me
And when you're smoke,
How do you speak?
Smoke signals?
Write on trees?
c'mon out, c'mon out
Write with me
