

# Closer (Tom Misch Remix)

Rae Morris

Far away and feeling sober  
I can keep you closer  
A static constant in my mind  
Conscious cards are on the table  
Our house is so unstable  
But I'm not leaving you behind  
(Into the unknown)  
For now we'll keep it at that  
A little silence takes me back  
(To where I feel home)  
Remember what we've done there  
A place where I can rest my bones (Going, going, gone)  
You're moving away from me  
But I feel you closer, I feel you closer  
(Going, going, gone)  
Whatever is left of me  
Will keep me closer to you I feel closer, closer, closer  
To you I feel closer, closer, closer  
To you A little give and take  
Is never bound to break  
The kind of closeness that we keep  
A bond invisible  
Beyond the physical  
As I let you slip away (Going, going, gone)  
You're moving away from me  
But I feel you closer, I feel you closer  
(Going, going, gone)  
Whatever is left of me  
Will keep me closer to you I feel closer, closer, closer  
To you I feel closer, closer, closer  
To you I feel miles away  
From being here  
Now is not the time to break away yet  
Miles away  
For being near  
Now is not the time Into the unknown  
To where I feel home  
Into the unknown I feel closer, closer, closer  
To you I feel miles away

From being here  
Now is not the time to break away yet  
Miles away  
For being near  
Now is not the time
