

Not What You See

Kutless

Do you feel the tensions rise
Do you know why we always fight
To be better, better than you
And you better than me 'Cause I am not what you see, oh no
Not much more than a slave I wish to be
'Cause I am not what you see
Not much more a slave I should be
Nothing more a slave I will be How could I ever think to be more
Than the One who created me
I watched Him do all that he said, His words were
"Be a servant to all" 'Cause I am not what you see, oh no
Not much more than a slave I wish to be
'Cause I am not what you see
Not much more a slave I should be
Nothing more a slave I will be Only one deserves this exaltation
Only one deserves this elevation
But even He, He laid it down
To serve on bended knee 'Cause I am not what you see, oh no
Not much more than a slave I wish to be
'Cause I am not what you see
Not much more a slave I should be 'Cause I am not what you see, oh no
Not much more than a slave I wish to be
'Cause I am not what you see
Not much more a slave I should be
Nothing more a slave I will be
