

Pressure (Andi MÃ¼ller Dubby Remix)

Quadron

i've been trying
to get you under my pressure i've been trying to hurt you
for as long as i can remember
looking for the spineless point
and change your summer into winter
when i look into your deepest
i see myself at my weakest
i am walking deep waters
to burn your spendid and virtuous bridges but you said
show show show
but i wont
grow grow grow
i've been trying
to get your under my pressure you've accepted my crimes
as if you knew they were coming
like nicking candy from a kid
you been defeating my verbal beatings
no i wont stop my torture
until you show you got tears too
i'd rather you deal with your temper
than feel your careless empathy
