

# Night Time Is the Right Time

Aretha Franklin

You know the night time is the right time,  
Oh, to be, to be with the one you love  
Come on, baby,  
I wanna be with the one I love  
And you know, yes, who I'm thinking of  
I tell you the night time,  
Yeah, is the right time,  
Oh, to be with the one you love,  
Yes it is, hm, hmm... You know my mother had no debt  
And left, and left our porch out crying  
Ooh, come on, baby, I need you,  
Hold my hand  
And I want you to squeeze me,  
Yeah, just as tight as you can  
I tell you that the night time, yeah,  
The night time is the right time,  
I believe it is to be with the one you love  
Oh, yes, it is... I gotta call you, baby, oh, baby,  
Baby, ooh, baby, now,  
You know that I love you  
And I put no one above you  
Hold onto my hand,  
Oh, and say that you'll stay  
I tell you that the night time,  
I believe, I believe,  
I believe is the right time  
To be, to be with the one you love,  
Yeah, yeah, ooh... Baby, won't ya, baby, won't ya please me,  
Uuh, tease me but don't leave me,  
Oh, baby, take my hand  
But don't leave me  
I wanna show you  
That ain't no one, no other man  
And 'cause they tell me that the night time,  
Yeah, is the right time, hey, yeah,  
To be with the one you love,  
Yeah, yeah, ooh, yeah  
Baby, baby, baby, baby... I want you to keep me,  
Keep me right by your side

And every, every day I'll keep you satisfied  
Because the night time,  
Uuh, is the right time,  
Sure is the right time  
To be with somebody you love, Yeah, yeah, yeah, yeah, yeah,  
Baby, uuh, please me, tease me,  
Yeah, yeah, baby, hold my hand  
And keep me right by your side  
And every, every, every,  
Every day I'll keep you satisfied...
