# Look at That Cadillac

## Stray Cats

Well, wake in the morning, brush my teeth and comb my hair
Well, I wake in the morning, brush my teeth and comb my hair
Well, there's a big black Cadillac parked on the street over thereWell it's the finest lookin' car, that ever rolled off the line
Any other car would just be wastin' your time
Oh, one fine day I'm gonna make a Cadillac mineI gotta get a Cadillac
Look at that Cadillac, look at that
Look at that Cadillac, look at that
Rollin' down the avenue, I'm gonna get me a Cadillac too
If it's the last thing I doWell, I got a job, down at the liquor store
Well, I got me a job down at the liquor store
Oh, I ain't lazy but I don't wanna work no moreWhen I get my paycheck put it right in the bank
I'm puttin' all my money straight right in the bank
Well, I'm a halfway to get my big black Cadillac tankI gotta get a Cadillac
Look at that Cadillac, look at that
Look at that Cadillac, look at that
Rollin' down the avenue, I'm gonna get me a Cadillac too
If it's the last thing I do, oh yeahOh, sittin' in a bar, knockin' 'em back
Up pulls a big black Cadillac
Out steps a kitten, stand back cats
Away I go in that CadillacLook at that
Look at that Cadillac, look at that
Look at that Cadillac, look at that
Rollin' down the avenue, I'm gonna get me a Cadillac too
If it's the last thing I doI gotta get a Cadillac
Look at that Cadillac, look at that
Look at that Cadillac, look at that
Rock and rollin' down the avenue, I'm gonna get me a Cadillac too
If it's the last thing I do
