Can you hear my baby?  
If it look this good, i wonder how it tastes  
Baby if I touch your body, can you scream my name?  
Would you whisper to me "it's yours"?

You control my senses, baby all my senses

Girl you smell so gentle and pure  
You control my senses  
If it look this good, I wonder how it tastes  
Baby if I touch your body, can you scream my name?  
Would you whisper to me "it's yours"?  
Girl you smell so gentle and pure  
You control my senses, baby all my senses
