Beg

Mothboy

[Oh No, No-noooo]I'm calling, and calling
Still you had the heart to hit ignore
Emotions see-sawing
So tell me how am I supposed to give more [Woo-ah]
It's getting colder where we stand
And I'm trying to touch your hand
But you're just out of reach [Woo-ah]
And all I'm really tryin' to say
Is can you meet me halfway?
But if you're stay there instead
I'm not gonna beg, I'm not gonna make you want me
I'm not gonna fall to my knees
I shouldn't have to say please!
I'm not gonna beg, 'Cos this is beyond unfair
You should wanna be here
And give my life for love [Give my life for love]
But I'm not gonna beg [Ooah, Ooah, Ooah]
It's your way, or the highway
There's only so much bend, before I break
And it's like I paddled, into a tidal wave
And now I feel like all is lost in its wake [Ooah]
It's getting older every day,
I'm holding on but I'm afraid
It's not all in my head [Ooah]

There's nothing more that I can say,
You gotta meet me halfway
But if you're stayin' there instead
I'm not gonna beg, I'm not gonna make you want me
I'm not gonna fall to my knees,
I shouldn't have to say please!
I'm not gonna beg, 'Cos this is beyond unfair
You should wanna be here,
I'd give my life for love [Give my life for love]
But I'm not gonna beg [Woah, Ooah, Ooah]
You shouldn't feel like this, feel like this, baby no
We should be in this together!
And if it stays like this, stays like this, you know
I won't be here forever No, No

So, I'm not gonna beg,
I'm not gonna make you want me
I'm not gonna fall to my knees,
And I shouldn't have to say please
And I'm not gonna beg,
This is beyond unfair,
You should wanna be here [Yeah]
And give my life for love [give my life for love]
But I'm not gonna beg [Woah] Noo-Noooo
Oooh I'm not gonna beg [Woah] Noo-Noooo
Oooh and I'm not gonna beg, Oh No Noo-Nooo
Na da daa da
