

Life Is a Flower

Ace of Base

We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you When every race is run
And the day is closing in
I don't care about the world
I'm living for the light
Don't cry for me today We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you I can not be your judge
Mr. Jailer is your host, he's keeping you inside
And hides you from the world
No catcher in the rye can help you from yourself We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you Please Mr. Agony, release them for a while
Learn them the consequences of living without life We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with you We live in a free world
(It's a free world yeah)
Life is a flower ahh ahh ohh I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, oh, so precious in your hand
Carry on smiling and the world will smile with you We live in a free world
Carry on smiling and the world will smile with you
Life is a flower
Carry on smiling and the world will smile with you We live in a free world
Carry on smiling and the world will smile with you
Life is a flower
Carry on smiling
