Life Is a Flower

Ace of Base

We live in a free world, I whistle down the wind
Carry on smiling and the world will smile with you
Life is a flower, so precious in your hand
Carry on smiling and the world will smile with youWhen every race is run
And the day is closing in
I don't care about the world
I'm living for the light

Don't cry for me todayWe live in a free world, I whistle down the wind Carry on smiling and the world will smile with you

Life is a flower, so precious in your hand

Carry on smiling and the world will smile with youI can not be your judge

Mr. Jailer is your host, he's keeping you inside

And hides you from the world

No catcher in the rye can help you from yourselfWe live in a free world, I whistle down the wind Carry on smiling and the world will smile with you

Life is a flower, so precious in your hand

Carry on smiling and the world will smile with youPlease Mr. Agony, release them for a while Learn them the consequences of living without lifeWe live in a free world, I whistle down the wind Carry on smiling and the world will smile with you

Life is a flower, so precious in your hand
Carry on smiling and the world will smile with youWe live in a free world
(It's a free world yeah)

Life is a flower ahh ahh ohhI whistle down the wind Carry on smiling snd the world will smile with you Life is a flower, oh, so precious in your hand

Carry on smiling and the world will smile with youWe live in a free world Carry on smiling and the world will smile with you

Life is a flower

Carry on smiling and the world will smile with youWe live in a free world Carry on smiling and the world will smile with you

Life is a flower Carry on smiling
