

13 Freaks

Scum Of The Earth

I don't care, fuck you
You're a deadbeat whore and deserve what I'm offering
I don't care
You're a victim under red lights, suffering Pure black filth to fuel the fire
Hardcore whore, another devil's dreg
Devil woman, hell rolls inside ya
Got no love for your body undead 13 freaks forever
Evil fucking evil
13 freaks forever
Cannibal 13 freaks forever
Evil fucking evil
13 freaks forever
Cannibal I don't care, fuck you
You're a goddamn plaything black market animal
Hell for you
You're filthy meat for inbred cannibals 13 freaks forever
Evil fucking evil
13 freaks forever
Cannibal 13 freaks forever
Evil fucking evil
13 freaks forever
Cannibal I am a hole with God's eye on my shoulder
Waiting to give me the wink
I am a hole with the devil's finger
On the trigger waiting to blink I don't care, fuck you
You're a deadbeat whore and deserve what I'm offering
I don't care
You're a victim under red lights suffering Pure black filth to fuel the fire
Hardcore whore, another devil's dreg
Devil woman, hell rolls inside ya
Got no love for your body undead 13 freaks forever
Evil fucking evil
13 freaks forever
Cannibal 13 freaks forever
Evil fucking evil
13 freaks forever
Cannibal
