

# Rockabye

Ani DiFranco

Tending the garden of noise  
When I grow the traffic  
And the church bells  
And the neighborhood boys  
Singing to myself  
As the solitude sets in  
In tune with the symphony  
Of south Brooklyn  
I sing Rockabye, rockabye baby  
Rockabye, the baby that is me  
Rockabye, rockabye baby  
Rockabye till I'm fast asleep The tunnel is train torn  
The tracks are worn and sore  
I can feel the rattle  
Riding up through the floor  
She jumped the turnstile  
He paid for his ride  
I am the echo in the station  
Where their footfalls collide  
I left her at the epicenter  
We were trembling dutifully  
I left him too  
I left parts of me  
Singing rockabye I said today I am leaving  
In every sense of the word  
But I'm in love with your memory already  
Everything I've seen and heard  
And I will go singing  
As the solitude sets in  
In time with the rhythm  
Of everywhere I have been  
It sounds like rockabye
