

# No More (From "Blue Hawaii") [Take 11]

## Elvis Presley

No more do I see the starlight caress your hair  
No more feel the tender kisses we used to share  
I close my eyes and clearly my heart remembers  
A thousand goodbyes could never put out the embers  
Darling, I love you so and my heart forever  
Will belong to the memory of the love that we knew before  
Please come back to my arms, we belong together  
Come to me let's be sweethearts again and then let us part no more  
No more do I feel the touch of your hand on  
mine  
No more see the love light making your dark eyes shine  
Oh, how I wish I never had caused you sorrow  
But don't ever say for us there is no tomorrow  
Darling, I love you so and my heart forever  
Will belong to the memory of the love that we knew before  
Please come back to my arms, we belong together  
Come to me let's be sweethearts again and then let us part no more
