

# Dance Apocalyptic

Janelle MonA•e

Dance apocalyptic  
Bands they make her dance apocalyptic now  
Bands they make her dance apocalyptic  
Bands they make her dance apocalyptic now  
Bands they make her dance apocalyptic

You're going crazy  
The hitmen always find you  
Do that dance  
Smoking in the girls room  
Kiss in France  
It's over like a comic book  
Exploding in a bathroom stall  
She's so freaked out  
Worrying about the bomb but  
You bought a house  
But I'm allergic to the house pets  
Your credit cards  
They bought a new wife  
For shiny little lonely men

But I really, really wanna thank you  
For dancing 'til the end  
You found a way to break out  
You're not afraid to break out  
But I need to know  
If the world says it's time to go  
Tell me, will you freak out?  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang  
But I need to know  
If the world says it's time to go  
Tell me, will you break out?  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang  
Smash, smash, bang, bang  
Don't stop

## Chalangalangalang

You gotta laugh at the zombie in the front yard  
Take a bath, but nothing gets the funk off  
You're on TV, rocking and a rolling  
Cause the dead just love to rock and roll  
Sick and tired of food tasting plastic  
You wanna cry  
But they grew up without a real kitchen  
Asking why the pain is always equal  
But the joy just never spreads around

But I really, really wanna thank you  
For dancing 'til the end  
You found a way to break out  
You're not afraid to break out  
But I need to know  
If the world says it's time to go  
Tell me, will you freak out?  
Smash, smash, bang, bang

Don't stop  
Chalangalangalang  
But I need to know  
If the world says it's time to go  
Tell me, will you break out?  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang

You're going crazy  
The hitmen always find you  
Do that dance  
Smoking in the girls room  
Kissing friends  
Keep a rocking and a rolling  
Cause the dead just love to rock and roll  
So freaked out, worried about the bomb  
Bought a house, but I'm allergic to the house pets  
Your credit cards, working and a-bobbing  
Just to make enough to pay your rent

But I really, really wanna thank you

For dancing 'til the end  
You found a way to break out  
You're not afraid to break out  
But I need to know  
If the world says it's time to go  
Tell me, will you freak out?  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang  
But I need to know  
If the world says it's time to go  
Tell me, will you break out?  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang  
Smash, smash, bang, bang  
Don't stop  
Chalangalangalang

[Spoken]  
I've been  
Look at you  
You look just like a little old earthquake  
Break it, break it  
You got to break it  
Ain't no order in this courtroom  
Smash, smash, bang, bang  
(Y'all going to jail)  
Don't stop  
Chalangalangalang

[Android Voice]  
What's the matter?  
Your chicken tastes like pork?  
You have triplets instead of twins?  
Is your food taste plastic?  
Grandaddy, I think I wanna dance
