

Endless Melody

Clarensau

What am I doing here?
(Where are we going?)
I thought it'd be different now
(I thought it'd be better)But I don't feel anything
That is what scares me
While my world is falling
And my fears snow-balling,
I can't move
This isn't what we promised,
It's not how it's supposed to be
This is what we made it
Oh, this is what we made it;
I can't move
(This isn't what we promised)
I can't move
(It's not how it's supposed to be)
Oh, I can't move
(This is what we made it)
Oh, this is what we've made it;
I can't move
This isn't what we promised
It's not how it's supposed to be
This is what we made it
Oh, this is what we've made it;
I can't move
(I'm stuck inside this endless melody)
