The Cross

Roy Fields

There's nothing I can do to save myself
There's nothibg i can say to make it right
I cant erase the wrongs that i have done
But there is ONE who's overcome
Jesus You alone have paid the price
To live, to die to be the sacrifice
Jesus you alone have made The Way
You are The ONE who's overcome
The Cross is more than enough
Your body broken for us
I will love you forever
By the loss of your blod
Its my heart you have won
Singing Hallelujah
Now this life will be my offering
Each and every day to Yiu my King
When I'm struggling on to you that I will run
You are The One who's overcome
Jesus You alone have rescued me
You raised me onto life and set me free
Safe I am the victory is won
You are The One Who's overcome
The Cross is more than enough
Your body broken for us
I will love you forever
By the loss of your blod
Its my heart you have won
Singing Hallelujah
The Cross is more than enough
Your body broken for us
I will love you forever
By the loss of your blod
Its my heart you have won
Singing Hallelujah
Jesus
Savior
You're My King forever
Jesus
Savior

You're The Lamb of God
Jesus
Savior
You're my King forever
Jesus
Savior
You're The Lamb of God
The Cross is more than enough
Your Body broken for us
I will love You forever
And by the loss of Your Blood
Its my heart you have won
Its my heart You have won
The Cross is more than enough
Your body broken for us
I will love you forever
By the loss of your blood
Its my heart you have won
The Cross is more than enough
Your body broken for us
I will love you forever
By the loss of your blood
Its my heart you have won
Singing Hallelujah
Singing Hallelujah
Singing Hallelujah
Singing Hallelujah
