

# Every Shade of Blue (Alternative Mix)

## Bananarama

I have the saddest feeling again, inside  
Don't think that I would hear from you, tonight  
Now the moon lights up, and all the stars will shine  
But I can't explain the way I feel inside Every shade of blue I see (I see)  
When you're away from me  
Thinking about you, oh-whoa  
Thinking about you Every shade of blue I cry (I cry)  
'Til the colors all but dry  
When I'm with out you, oh-whoa  
When I'm without you Alone in the darkness I can dream, of you  
Always the daylight comes around, too soon  
And the night goes on just like it never ends  
I keep holdin' on 'til you come back again Every shade of blue I see (I see)  
When you're away from me  
Thinking about you, oh-whoa  
Thinking about you Every shade of blue I cry (I cry)  
'Til the colors all but dry  
When I'm with out you, oh-whoa  
When I'm without you And the night goes on just like it never ends  
I keep holdin' on 'til you come back again Every shade of blue I see (I see)  
When you're away from me  
Thinking about you, oh-whoa  
Thinking about you Every shade of blue I cry (I cry)  
'Til the colors all but dry  
When I'm with out you, oh-whoa  
When I'm without you
