In the Fall

Future Islands

Time... rolling along with the waves,
A thousand miles away
Holding you close in the rain,
Seems just like yesterdayLost... hope in a faraway place
And in my hand remains,
A black and white print of a face,
I'll never see againI gave my life to save her
The ocean turned to red
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them all
Cut down like lambs at slaughter,
Good men were left for dead
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them allLove... served until death do us part,
I'm drifting in the dark
Wounded and wishing to fall,
Into your faithful armsI gave my life to save her
The ocean turned to red
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them all
Cut down like lambs at slaughter,
Good men were left for dead
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them allBeneath the sky of hate,
Beyond the sea of pain,
In heaven I will wait,
Until we meet againI gave my life to save her
The ocean turned to red
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them all
Cut down like lambs at slaughter,
Good men were left for dead
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them allI gave my life to save her
The ocean turned to red
In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them all
Cut down like lambs at slaughter,
Good men were left for dead

In the fall, in the fall, when the tide took them all
In the fall, in the fall, when the tide took them all
