

# Secret Lover

Kelly Osbourne

Who are you talkin' to, baby?  
It's been a long, long while  
And was she worth it though, baby?  
'Cause she don't got my style  
Where you going to lover  
And is she going with you?  
Everybody's been clued in  
They know what you do  
Wa-oh, everybody wants to take a ride  
Wa-oh, but it seems sometimes  
You're on my mind  
Secret, lover, boy, my secret lover boy  
Secret, lover, boy, my secret lover  
Where you runnin' to, honey?  
I think I'd like to know  
Did you see yourself, baby  
On my TV show?  
Did I embarrass you, honey?

You were my John Doe  
It doesn't seem like you loved me  
And I don't care to know  
Wa-oh, everybody wants to take a ride  
Wa-oh, but it seems sometimes  
You're on my mind  
Secret, lover, boy, my secret lover boy  
Secret, lover, boy, my secret lover  
I want the world  
I want the whole world  
I want to lock it up all in my pocket  
It's my bar of chocolate  
Secret, lover, boy, my secret lover boy  
Secret, lover, boy, my secret lover  
Secret lover, boy, my secret lover boy  
My secret lover  
Secret
