

Wave Ya Hand

Nicki Minaj

Wave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodWave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodNow tell them bitch anyway
'Cause we don't care what none of them golopies say
You can't stop me, I'mma fulfil my prophecy
I do it, did it, the proper wayI might pop-a-tay, know which way we operate
Bottles on ice, the bottles is on ice
The VIP lights is hittin' us just right
So if you gettin' money just throw it up in the air
Your hands in the air, like I was your puppeteer'Cause I, I, I, I am Zolanski
Some call me Barbie, yes I'm life size
Yes I am humble, yes but why lie
I am the reason why these girls go bye byeWave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodWave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodOkay, now this right here to get me in trouble
'Cause when I say I ball, I don't mean in a huddle
I'm always in a Lamb, I never do nothin' subtle
'Cause It's Pink Friday Hoe, that's there rebuttalMy 2 guns up, let's blaze it, let's go
I keep a lot of money up in the Escrow
And when I'm at the game I'm in the best row
I am the baddest bitch up in the pet store'Cause I, I, I am Onika
And these shoes hear me, Fashionista
'Cause these don't come out 'til its Easter
I'm VIP bound with Leighton MeesterWave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodWave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodAh, ya, ya, ya, ya
Ah, ya, ya, ya, yaWave ya hand if you, if you look good

Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look goodWave ya hand if you, if you look good
Throw some shade if you look good
Wave ya hand if you, if you look good
Anyway but you look good
