## Alfredo Casero

Diego - The Flowers That We Held

Distant Winds Will Breathe And Sigh Beneath The Clouds

Diego - The Flowers That We Lost

Distant Winds Are Calling Up A Distant Storm

I Embrace All My Sorrow Deep Within

Like The Waves Roll Across The Ocean Shore

Uuji Where We First Met

In A Forest Green And Gold

Now I Stand Beneath The Tree

Where I Cried My Last Farewell

Shima Uta My Island Ride The Wind

Together Fly Like Birds

Across The Ocean Waves

Shima Uta My Island Ride The Wind

Deliver All My Tears Across The Ocean Waves

Diego - The Flowers Gently Sway

Gently Fall As They Ripple In The Breeze

Time Goes By And My Dream Of Happiness

Drifts Away Petals Floating On The Sea

Uuji Where I Would Sing

Close Together With My Friend

Now I Stand Beneath The Tree

Where I Cried My Last Farewell

Shima Uta My Island Ride The Wind

Together Fly Like Birds

Across The Ocean Waves

Shima Uta My Island Ride The Wind

Deliver All My Love Across The Ocean Waves

The Creator Of My Life

The Creator Of The World

May This Evening Calm

Last As Long As You Live

Shima Uta My Island Ride The Wind

Together Fly Like Birds

Across The Ocean Waves

Shima Uta My Island Ride The Wind

Deliver All My Tears Across The Ocean Waves
