What Kinda Guy?

Steve Forbert

What kinda guy am I really am?
I love some turkey but I don't eat lamb
No sweet potato but I do like ham
What kinda guy am I really am?What kinda guy am I really I?
I kept my jacket but I lost my tie
I'll tell you truly that I sometimes lie
What kinda guy am I really I?What kinda guy am I really who?
Don't wear pajamas and I don't sniff glue
I'm Mississippi, got the New York blues
What kinda guy am I really who?What kinda guy am I really what?
I might be leaving but the door ain't shut
I'm here for loving but I ain't no slut
What kinda guy am I really what?What kinda guy am I really am?
I love some turkey but I don't eat lamb
No sweet potato but I do like ham
What kinda guy am I, am I really am?
