

# Starving

## KIDZ BOP Kids

You know just what to say  
Things, that scare me, I should just walk away  
But I can't move my feet  
The more that I know you, the more I want to  
Something inside me's changed  
I was so much younger yesterday, oh I didn't know that I was starving till I looked at you  
Don't need no butterflies when you give me the total zoo  
By the way, by the way, you do things to my heartbeat  
I didn't know that I was starving till I looked at you (I didn't, I didn't, I didn't till I looked at you)  
(I didn't, I didn't, I didn't well it sure is true)  
By the way, by the way, you do things to my heartbeat  
I didn't know that I was starving till I looked at you You know just how to make my heart beat faster  
Emotional earthquake, bring on disaster  
You hit me head-on, got me weak in my knees  
Yeah, something inside me's changed  
I was so much younger yesterday, yeah  
So much younger yesterday, oh, yeah I didn't know that I was starving till I looked at you  
Don't need no butterflies when you give me the total zoo  
By the way, by the way, you do things to my heartbeat  
I didn't know that I was starving till I looked at you (I didn't, I didn't, I didn't till I looked at you)  
(I didn't, I didn't, I didn't well it sure is true)  
By the way, by the way, you do things to my heartbeat  
I didn't know that I was starving till I looked at you You, yeah, till I looked at you  
(I didn't, I didn't, I didn't well it sure is true)  
By the way, by the way, you do things to my heartbeat  
I didn't know that I was starving till I looked at you, ooh, ooh, ooh Na na na na  
Na na na na  
The more that I know you, the more I want to  
Something inside me's changed  
I was so much younger yesterday
