Together Alone

Caliban

Your life is life, mine is just a lie!!!

Time passes by,
everything flows in the same stream
and we are driving down the river..
I pause and let you go.
My tears whip the river
There I stand, stiff for ever
Singing this song of mourning

My cradle is full of hope,
I don't give up,
I break the wall
(and fight,forever for my joyâ€¦)

YouÂ´re going your own way,
floating in another dream.
you feel no fear, no doubt,
your power keeps you realâ€¦
There will be new paths,
no doubt and well-fed fears,
We will go our ways alone, together alone.

LetÂ´s Goâ€¦

Your life is life, mine is just a lie!!!
