I Idolize You

Lizz Wright

If you want some lovin' baby
That I 'll give to you

If you want some huggin' baby
Oh I could hug some to

All I want baby
Is some touch from you

Just a little bit attention... Yes
Is gonna see me through

'Cause you know you're my kind
And I want you, I want you to be mine

[Chorus]
I idolize you
I idolize you baby

I want to make love to you
When the lights are low

Scream to you baby
Oh just to let you know

All I want is a little touch from you
Just a little bit attention yeah
You know is gonna see me through

Yeah you know you're my kind
And I want you, I want you to be mine

[Chorus]

Yeah yeah yeah..

Oh what a thrill
This thrill you know I get

If I could comfort you baby

Oh make you my pet

All I really want baby
Is a little touch from you
Just a little bit attention yeah is gonna see me through

'Cause you know you're my kind
And I want you, I want you to be mine

Yeah you know you're my kind
And I want you, I want you to be mine

[Chorus]

Hey hey yeah yeah, I got to have you baby

Oh I can't help myself
Idolize you baby

Yeah yeah yeah
Oh mercy

Hmm mm I need you baby
Oh yeah yeah

Got to have you baby
Oh oh
Yeah...
